

What Does

Blumark Mean?

“U” Are at the Center:

We like to call ourselves a “boutique” firm. Our focus is to provide our clients with the most personalized and individual service.

The Blueprint of Your Financial Future:

Just like the best architects plan their masterpieces well in advance, our advisors help “sculpt” and plan for your financial future.

Hitting Your Mark:

In addition to a solid blueprint, every plan needs an end goal, a target, or a mark. We know that life happens along the way, but we’re here to help you achieve your financial goals.

TRADITIONAL VALUES.
INNOVATIVE FINANCIAL SOLUTIONS.

The Best of Both Worlds:

We don’t compromise. We combine the values of old-school service with the tools and tactics of our modern and fast-paced society.
